37. Hippology Senior (14-18 years old)

**All Classes will follow the AQHA and VA 4-H Rulebooks.**

- **Halter:** AQHA SHW350 - The horse is judged on conformation standards for its breed. The judge will be selecting well-mannered individuals in the order of their resemblance to breed ideal and that are the most positive combination of balance, structural correctness, movement, adequate muscling, and with appropriate breed and sex characteristics. Western horses to be shown in halter with lead. English horses to be shown in proper bridle. Gaited horses to be shown in discipline specific Halter or Bridle.
- **Showmanship:** AQHA SHW370 - Showmanship at Halter. Evaluates the exhibitor's ability to execute a well-groomed, well-conditioned horse, a set of maneuvers prescribed by the judge with precision and smoothness, while exhibiting poise and confidence, and maintaining a balanced, functional, and fundamentally correct body position.
- **Leadline:** For riders 7 years old or YOUNGER, to be led by an ADULT handler on a horse or pony in any discipline. Judged on child's ability to steer, stop, back, and answer a simple, age appropriate question from the judge.
- **Intro Equitation:** Open to both Western/English riders who can walk/trot but cannot post well. A handler may walk w/ rider but no assistance.
- **Western Horsemanship:** AQHA SHW430 - Evaluates the rider's ability to execute cuts, with their horse, a set of maneuvers prescribed by the judge with precision and smoothness while exhibiting poise and confidence and maintaining a balanced, functional, and fundamentally correct body position. The ideal pattern is extremely precise with horse and rider working in unison, executing each maneuver with subtle aids and cues. The horse's head and neck carried in a relaxed, natural position.
- **Western Pleasure:** AQHA SHW402 - A good Western Pleasure horse has a free-flowing stride of reasonable length in keeping with his conformation. He should cover a reasonable amount of ground with little effort. Ideally the horse should have a balanced, flowing motion while exhibiting correct gaits that are of the proper cadence. The quality of movement and consistency of the gaits is a major consideration.
- **English Equitation:** AQHA SHW616 - Evaluates the ability of the Hunter rider to perform various maneuvers on his or her horse. The communication between

horse and rider through subtle cues and aids should not be obvious. Equitation is judged on the rider's hands, seat, and effectiveness to maintain a well-mannered, obedient horse.

- **English Pleasure:** The English Pleasure horse has a free-flowing stride of reasonable length in keeping with his conformation. He should cover a reasonable amount of ground with little effort. Ideally the horse should have a balanced, flowing motion while exhibiting correct gaits that are of the proper cadence. The quality of movement and consistency of the gaits is a major consideration.
- **Pony Express:** Team of 3- one teammate starts at start/finish line (w/ mail in mailbox, has a set of saddlebags), Rider #2 waits at one barrel, rider #3 at another barrel. Rider #1 removes mail from mailbox and puts inside saddle bags, rides to #2 hands off saddlebags, rides to #3 hands off saddlebags , #3 rides back to the mailbox, removes mail from the saddlebags, places mail in the mailbox and most close the door & put up the flag. This may be altered to teams of 2 depending on entries.
- **Flag Race:** There will be two barrels on opposite ends of the arena. Bucket sitting on top of each barrel with a PVC pipe in it (the flag), rider starts at start/finish line, rides to first barrel, removes flag, rides to second barrel, places flag in 2nd barrel and rides back to Start/finish. This will be a timed event to determine the winner!
- **Musical Bags:** Music will be playing! Riders will be asked to walk or trot in a circle around burlap bags laying flat on the ground. When the music stops, riders have to place their horses front feet on a bag. Take a bag out every turn. Last one on a bag wins!
- **Egg and Spoon:** Riders will be given a plastic spoon with an egg and be asked to perform specific tests from the judge. If the egg falls, the rider is out and must stand in the center of the ring until the conclusion of the class. The last rider with their egg on their spoon wins.
- **Partner Race:** This is a "pairs" class. Riders are paired and given a piece of toilet paper. Each rider holds an end of the toilet paper. The judge will call out specific tests (walk, back, reverse, trot, etc.). If the toilet paper tears or one rider drops their end, the team is out and must stand in the center of the ring until the conclusion of the class. The last team with their toilet paper in-tact that performed all the judge's tests wins.
- **Chinese Fire Drill:** Team of two horses and two riders, both begin at start/ finish line, ride down to designated spot at opposite end of arena, both riders must dismount switch horses and ride back to start/ finish line. Whichever team gets back the fastest will win!

- **Ride-a-Buck:** BAREBACK class. Each participant must provide their own DOLLAR bill. Riders start with a \$1 bill under the thigh, and are asked to perform specific tests by the judge. The last rider to keep hold of their dollar wins ALL THE DOLLARS!
- **Trail:** AQHA SHW461 - Class will be judged on the performance of the horse over obstacles, with emphasis on manners, response to the rider and quality of movement. Credit will be given to horses negotiating the obstacles with style and some degree of speed, positive expression, and minimal visible or audible cueing, providing correctness is not sacrificed.
